Mr. Edward J. Bauser  
 Executive Director  
 Joint Committee on Atomic Energy  
 Congress of the United States

Dear Mr. Bauser:

The Atomic Energy Commission has issued Construction Permit No. CPPR-30 to The Toledo Edison Company and The Cleveland Electric Illuminating Company for the construction of a pressurized water nuclear reactor, designated as the Davis-Besse Nuclear Power Station, to be located on the applicants' site on the southwestern shore of Lake Erie, in Ottawa County, Ohio.

Two copies of the construction permit, together with a related notice which has been transmitted to the Office of the Federal Register for filing and publication, are enclosed. The permit has been issued pursuant to the enclosed Initial Decision of the Atomic Safety and Licensing Board.

Sincerely yours,

Signed: H. L. Price

Harold L. Price  
 Director of Regulation
