Docket No. 50-346

Lt. Colonel Edward M. Willis
Director, U. S. Army Coastal
Engineering Research Center
5201 Little Falls Road, N. W.
Washington, D. C. 20016

Dear Colonel Willis:

For your information, I am forwarding a copy of Amendment
No. 4 to the facility license application concerning the
proposed Davis-Besse Nuclear Power Station.

The amendment consists of revised pages for insertion in
the Preliminary Safety Analysis Report for this facility.

Sincerely yours,

Original signed by
Robert L. Tedesco

for
Roger S. Boyd, Assistant Director
for Boiling Water Reactors
Division of Reactor Licensing

Enclosure:
Amend. No. 4 (Davis-Besse)
