Mr. William M. White, Chief  
 Division of River Basin Studies  
 Bureau of Sport Fisheries and Wildlife  
 U. S. Department of the Interior  
 Washington, D. C. 20240

Dear Mr. White:

I am forwarding for your information and use four copies each of Amendment Nos. 6 and 7 to the facility license application for the proposed Davis-Besse Nuclear Power Station.

Both amendments consist of revised and additional pages and figures for insertion in the Preliminary Safety Analysis Report for this facility. Also included in the amendments are revisions of responses to previously answered questions raised by the Commission.

Sincerely yours,

Original signed by
