Dear Mr. Williams:

I am forwarding for your information and use a copy of Volume 4 to the Preliminary Safety Analysis Report filed by The Toledo Edison Company and The Cleveland Electric Illuminating Company as Amendment No. 3 to their application for authorization to construct and operate the Davis-Besse Nuclear Power Station on the southwest shore of Lake Erie, in Ottawa County, Ohio.

The amendment contains answers to questions raised in the Commission's letter of February 12, 1970, and revised and additional pages for insertion in Volumes 1, 2 and 3 of the Preliminary Safety Analysis Report.

Copies of this letter without the enclosure are being sent to the Department of Industrial Relations and the Ohio Department of Health for their information.

Sincerely yours,

Original Signed by
Peter A. Morris
