Dear Ms. Oakes:

In response to your letter of October 4, 1978, I am sending copies of the final safety analysis and environmental statement reports on the Davis Besse nuclear station. These should provide some background for your review.

A detailed public information file is available for your inspection. It includes copies of all correspondence and the transcripts of the NRC hearings. The local NRC Public Document Room is at:

IDA Rupp Public Library
310 Madison Street
Port Clinton, Ohio 43452

If there are any further questions after you examine these records, please do not hesitate to ask them.

Sincerely,

Original Signed By
