Dear Mr. Hauser:

This is to acknowledge receipt of your letter dated February 20, 1972,
enclosing the testimony of Lee C. Howley, filed on behalf of the

the Federal Power Commission.

I appreciate the fact that you sent this information as I requested,
and I will read it over very carefully. If I find that the exhibits
referred to in the testimony may be helpful, I will contact you
requesting them.

Your cooperation is appreciated.

Very truly yours,
