Dear Mr. Stayin:

In response to your February 18, 1974 letter to Mr. Oscar Stradinger regarding the antitrust proceedings involving the Davis-Desse and Perry Nuclear Power Plants, we are enclosing the letters of advice transmitted to us by the Department of Justice. Also enclosed are letters and petitions we have received from the Cities of Cleveland and Painesville, American Municipal Power-Ohio, and the Attorney General of Ohio. These letters and documents outline the allegations in these matters. Evidentiary hearings later this year are expected to develop the factual background in which these issues will be judged.

The first prehearing conference among all the parties was held on February 19, 1974, and another was held March 1, 1974.

Sincerely,

/s/ Abraham Braitman
