John Lansdale, Esq.

Dear Mr. Lansdale:

I am in receipt of your letter of November 18, 1975, to which you attached copies of a Notice of Appearance before the Atomic Energy Commission, Docket Nos. 50-44A & 50-441A, dated February 14, 1974, and a Notice of Appearance before the Nuclear Regulatory Commission, Docket Nos. 50-500A & 50-501A, dated May 5, 1975.

As I stated in my letter to Mr. Jack White of November 8, 1975, a careful check of files failed to reveal these documents. Concerning the February 14, 1974 document, I submit that my address on that Service List is incorrect and that document was not forwarded to me. Because of the error in the caption - 50-44A instead of 50-440A - the document was misfiled by the Nuclear Regulatory Commission.

The document dated May 16, 1975, does not indicate a Service List so I am unable to state any reason for my not receiving a copy.

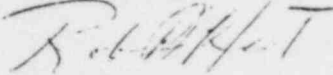

I do wish to bring to your attention, however, that at no time have you ever claimed to have entered an appearance before the Board concerning Docket No. 50-346A and as such, I submit that you do not have any basis for claiming representation on behalf of CEI in that matter.

I attach a copy of the list of persons who are

8002 200 826 M

to receive this letter. It is the same list of persons who received the letter of November 3, 1975.

Yours very truly,

Robert D. Hart  
First Assistant Director of Law
