The Honorable John H. Buchanan, Jr.  
United States House of Representatives  
Washington, D.C. 20515

Dear Congressman Buchanan:

We have been asked to reply to your June 30 communication enclosing a copy of Mr. Gilbert Mobley's recent letter and attached resolution; we appreciate having the opportunity to comment on it. On June 24, the presiding Atomic Safety and Licensing Board issued a decision prescribing antitrust conditions governing operation of the Farley Nuclear Power Station. On June 25, the NRC staff issued a license authorizing operation of Unit 1; Unit 2 is not expected to be ready for fuel loading until December 1978. We hope that this information will be helpful; however, if you do need additional information, please let us know. For your information, we sent a similar response to Congressman Bevill on July 1; he also had forwarded a copy of Mr. Mobley's letter and attached resolution.

Sincerely,

John A. Harris, Director  
Office of Public Affairs
