Docket No. 50-346

(Davis-Besse Nuclear Power Station) )

NOTICE AND ORDER FOR SPECIAL  
PREHEARING CONFERENCE

In our Memorandum and Order dated March 30, 1973, we held that the petition to intervene filed by Mrs. Evelyn Stebbins, for the Coalition for Safe Nuclear Power, failed to meet the requirements of Section 2.714 of the Commission's Rules of Practice. Mrs. Stebbins was granted an additional 20 days within which to re-submit a petition in conformance with said requirements relating to the environmental matters covered by Appendix D to Part 50.

By letter dated April 16, 1973, Mrs. Stebbins submitted an amended petition to intervene. Both the Applicants and Staff have responded. While the petition, as amended, attempts to comply with the requirements of Section 2.714, it is still vague, unclear and ambiguous.

G

Nevertheless, the Board, mindful of the fact that Mrs. Stebbins is without benefit of counsel, and recognizing that the failure to comply may stem from a misunderstanding on the part of the proposed Intervenors as to the facts needed to meet the requirements of Section 2.714, has decided to hold a Special Prehearing Conference to clarify and resolve the matter.

The Board hereby directs the parties to appear at a Special Prehearing Conference as noted below to discuss for the benefit of the Board:

- (1) the interests of the proposed Intervenors,
- (2) their contentions and basis therefor,
- (3) such other matters as may aid in the disposition of this proceeding.

The proposed Intervenors should be fully prepared to respond to the observations and objections noted by the Staff and the Applicants in their respective responses to the amended petition. In addition, the Board will require that the petitioner further clarify and specify in greater detail the basis for the contentions proposed.

Accordingly, a Special Prehearing Conference shall be held on May 22, 1973, at the Cleveland City Hall, City Council Chambers, 2nd Floor, 601 Lakeside Avenue, Cleveland, Ohio 44114, commencing at 9:30 a.m. local time.

IT IS SO ORDERED.
