ORDER DISMISSING MOTION TO DISQUALIFY
SQUIRE, SANDERS AND DEMPSEY

In its decision of June 11, 1976 (ALAB 332, NRCI 76/6), the Appeal Board held that, upon final disposition by the Special Board of the motion to disqualify Squire, Sanders and Dempsey, the Initial Board's function thereafter is to carry out the ministerial duty of promptly entering an order giving effect to the Special Board's decision.

On November 5, 1976, the Special Board granted the law firm's motion to dismiss the disqualification proceeding. The matter was returned to this Board for an appropriate order.
