Honorable John Glenn
United States Senate

THIS DOCUMENT CONTAINS
POOR QUALITY PAGES

Dear Senator Glenn:

I only very recently became aware that your March 28 letter has not been answered. I apologize for the delay in responding, but I'm told that the staff had some difficulties in developing a full and complete response to your inquiry since the matter involved our field personnel and documentation.

I want to assure you that the time involved in this response is not an accurate reflection of the way we do business. We are instituting the necessary procedures that should assure prompt and satisfactory future responses. I do hope, however, that the attached is still useful and that it is fully responsive to your needs.

Best personal regards.

William A. Anders
