In the Matter of Toledo Edison Company
Cleveland Electric Illuminating Company
(Davis-Besse Nuclear Power Station)
Docket No. 50-346

Dear Ms. Stebbins:

Thank you for your letter regarding the captioned matter, undated, but bearing the postmark of March 16, 1973.

Please find enclosed the applicants' Final Safety Analysis Report (FSAR). To date, there have been no amendments to the FSAR. I have conversed with Jay Silberg of Shaw, Pittman, Potts & Trowbridge, the applicants' attorneys, who has agreed to contact the applicant and arrange to have your organization sent any future amendments as they are published. I will contact you if he has any difficulties making this arrangement.

Sincerely,

A handwritten signature in cursive script that reads "Francis X. Davis".

Francis X. Davis
Counsel for AEC Regulatory Staff
