Lt. Colonel Don S. McCoy
Commander and Director
U.S. Army Coastal Engineering
Research Center
5201 Little Falls Road N.W.
Washington, D.C. 20316

ATTN: Mr. R. Jachowski

Dear Lt. Colonel McCoy:

PROPRIETARY MATTER OF DAMES AND MOORE'S STORM SURGE MODEL

It is herein requested that you treat the material supplied by Dames and Moore at the February 15, 1973 meeting on the Crystal River Nuclear Power Plant site, Docket No. 50-302, as proprietary. The material includes a copy of Dames and Moore's hurricane surge model and several computer runs.

Sincerely,

L. G. Hulman, Senior Hydraulic
Engineer
Site Analysis Branch
