

JUL 19 1974

Docket No. 50-302

T. Ippolitto, Chief, Electrical, Instrumentation & Control Branch, TR  
CRYSTAL RIVER UNIT 3

The Crystal River Unit 3 operating license application is scheduled for review by the ACRS on August 8, 1974. Amendment No. 40 to Crystal River Unit 3 application was received July 5, 1974 and contains responses to outstanding issues identified in the EI&C Branch SER input and forwarded to the ACRS.

In order that the staff can fully respond to ACRS concerns in these areas, it is requested that the applicant's responses, as contained in Amendment No. 40, be reviewed for acceptability prior to August 8, 1974. A cross index of affected FSAR pages is enclosed to facilitate ease of review.
