ACCEPTANCE REVIEW--APPENDIX I EVALUATION FOR CRYSTAL RIVER, UNIT NO. 3

In a letter dated May 28, 1976 Florida Power Corporation submitted their Appendix I evaluation for Crystal River, Unit No. 3. Provide me by Friday, June 11 the results of your acceptance review of this document. Your review should be of sufficient depth to assure that all necessary information is presented in this document to permit us to carry out our evaluation without delay once a schedule has been established. If additional information is required provide me a list of questions in a form that they can be transmitted directly to the applicant. Your response should also include the number of man-hours required to perform this review.
