POOR ORIGINAL

Dear Mr. Hebb:

This is in reply to your letter dated April 28, 1976, regarding Paragraph 55.4(e) of 10 CFR Part 55.

In matters of this nature the applicability of particular sections or terms of Commission regulations, including 10 CFR Part 55, normally depend upon a specific factual situation. Your inquiry is too vague for us to be able to respond directly, or for our reply to have any meaning in a specific situation.

Consequently, prior to providing an answer to your request, we would need for you to provide a specific factual situation as it relates to the question you have regarding Paragraph 55.4(e).

I hope this information will be of use to you.

Sincerely,

Paul F. Collins, Chief  
Operator Licensing Branch  
Division of Project Management
