Gentlemen:

Thank you for your report dated February 7, 1973, identifying Babcock and Wilcox report B&W-1402, dated January, 1973, as your final report concerning incomplete records certifying the weld metal used in the weld repairs of the steam generators for your Midland facilities. This report is currently being reviewed, and the results of this review will be subsequently communicated to you through our office in Glen Ellyn, Illinois.

Your cooperation concerning this matter is appreciated.

Yours truly,
