APPLICANT: Consumers Power Company

FACILITY: Midland Plant, Units 1 and 2

MEETING OF NOVEMBER 14, 1975, TO DISCUSS ECOLOGICAL STUDY PROGRAM

A meeting was held in Bethesda, Maryland, on November 14, 1975, to discuss the ecological study program Consumers Power plans to conduct prior to operation of the Midland Plant. An attendance list is attached.

Consumers Power Company plans to submit an application for an operating license in the Spring of 1978. As a result, they are initiating plans to conduct the two year ecological study program required as conditions of their CP. Consumers indicated that they would like to discuss the details of their ecological program with the staff prior to its implementation.

At the meeting, it was agreed that Consumers would submit a description of the ecological program to staff for their comment in February 1976. The staff indicated that they would provide comments on the proposed program within three months of its submittal.
