Dear Mrs. Warren:

This letter will confirm my telephone conversation with your office on October 19, 1973 which concerned the availability of Suite 500.

The Atomic Energy Commission requests that Suite 500 be reserved on October 29, 1973 for use by the Atomic Safety and Licensing Board in the antitrust hearing of the proposed Midland Nuclear Generating Station.

Thank you again for your assistance. Your generosity is sincerely appreciated.

Very truly,
