ORDER

October 29, 1975

For good cause shown, the unopposed motion of the United States Department of Justice for a modification of the briefing schedule previously established in this antitrust proceeding^{1/} is granted. Accordingly, the schedule now calls for the filing of the briefs in support of the exceptions on or before November 13, 1975. The brief(s) in opposition to the exceptions are to be filed on or before January 19, 1976. Reply briefs may be filed on or before February 9, 1976.

The Board assumes that the several parties to the appeals are satisfied that this modification will provide

them with the time reasonably required for the preparation of their briefs and that, therefore, it will not prove necessary to request a still further schedule adjustment. In this connection, it remains the contemplation of this Board that oral argument on the appeals will be heard by the end of February 1976.

It is so ORDERED.
