Docket No. 50-329
Docket No. 50-330

Gentlemen:

This refers to the meeting conducted by Mr. Yin of this office and Mr. Slager of your staff on June 10, 1975, of activities at Midland Units 1 and 2 authorized by NRC Construction Permits No. CPPR-81 and No. CPPR-82.

A copy of our report of this meeting is enclosed and identifies the area examined during the meeting.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If this report contains any information that you or your contractors believe to be proprietary, it is necessary that you make a written application to this office, within twenty days of your receipt of this letter, to withhold such information from public disclosure. Any such application must include a full statement of the reasons for which it is claimed that the information is proprietary, and should be prepared so the proprietary information identified in the application is contained in a separate part of the document. Unless we receive an application to withhold information or are otherwise contacted within the specified time period, the written material identified in this paragraph will be placed in the Public Document Room.
