Dear Mr. Wilner:

This is to confirm the date of August 15, 1974 for a conference in Lansing between members of your staff and representatives of the Atomic Energy Commission. The conference was arranged by Bruce M. Hurt of the AEC Directorate of Licensing during his telephone conversation with you on August 2, 1974.

We appreciate the opportunity to discuss with your staff the financial qualifications of Consumers Power Company to continue the construction of its Midland nuclear facility.

Mr. Bruce Hurt, a staff attorney, and Mr. Leon Engle plan to attend the meeting.

Sincerely,

Original Signed by

A. Schwencer, Chief
Light Water Reactors Branch 2-3
Directorate of Licensing
