Docket No. 50-329
Docket No. 50-330

Gentlemen:

Thank you for your letter dated January 27, 1977, in response to our letter of December 17, 1976, relative to Inspection Reports No. 050-329/76-09 and No. 050-330/76-09. We have reviewed your response and find that the noncompliance items have been satisfactorily addressed, and the corrective actions, examined by our inspector on January 26-28, 1977 at the Midland site, were considered adequate.

We have no further questions regarding this matter, however, we will gladly discuss any questions you have concerning this matter.

Sincerely yours,

R. F. Heishman, Chief
Reactor Construction and
Engineering Support Branch
