Mr. Robert B. Chatterton
Midland Township Supervisor
928 Clarence Court
Route 7, Midland, MI 48640

Dear Mr. Chatterton:

This letter is to confirm our plans to meet with you and your colleagues on August 30, 1978, to discuss the NRC's regulatory program for protection of the public health and safety, specifically as it relates to the Consumers Power Company Midland plant. As you know, the meeting is being held for officials of the City of Midland, the Midland Township, and the Midland County Board of Commissioners.

The meeting will be at 4:00 p.m. (nominally one hour) in the Library Lounge of the Grace A. Dow Memorial Library, 1710 W. St. Andrews Road, Midland, Michigan. While the meeting is intended to be informal, we have prepared a tentative agenda which is enclosed. We hope this meeting will be informative for you; please note that we have allotted a portion of the time for questions and answers.

I am looking forward to meeting you and your colleagues from the Midland community on August 30.

Sincerely,

James G. Keppler
Director
