

Reg. Files

January 11, 1972

Mr. James E. Barrett  
Director, Administrative Services  
Board of Veterans Appeals  
U. S. Veterans Administration  
Washington, D. C. 20420

Dear Mr. Barrett:

This is to confirm the telephoned arrangements made January 5, 1972. I understand that Room 115, Lafayette Building, 811 Vermont Avenue, N. W., Washington, D. C., has been reserved for the use of the Atomic Safety and Licensing Board for January 19, 1972 commencing at 10 a.m. They will use the room for the purpose of further hearings on the construction permit requested by the Consumers Power Company (Midland), Docket Nos. 50-329 and 50-330.

I will promptly inform you should there be a change in schedule.

Thank you for your helpfulness and consideration.

Sincerely yours,

Clark V. Swanson  
Public Proceedings Branch  
Office of the Secretary  
of the Commission
