In the Matter of Consumers Power Company  
 Midland Plant, Units 1 and 2  
 Docket Nos. 50-329 and 50-330

Dear Mr. Vogel:

By letter dated January 24, 1972, (copy enclosed) your client, Steve J. Gadler, called my attention to the fact that I did not formally serve upon you a copy of the "AEC Regulatory Staff Answer to Petition to Intervene of Steve J. Gadler," dated January 3, 1972. Although, as indicated by Mr. Gadler's letter, you and he have had access to a copy of this answer since January 19, 1972, I am nevertheless transmitting herewith an additional copy, together with an appropriate Certificate of Service, in order that the record may show that the document was indeed served upon you.

Also enclosed, per your request, is a copy of the AEC regulatory staff's January 7, 1972, draft environmental statement for the Midland Plant, Units 1 and 2.

THIS DOCUMENT CONTAINS  
 POOR QUALITY PAGES

Sincerely,

David E. Kartalia  
 Counsel for AEC Regulatory Staff
