

UNITED STATES
ATOMIC ENERGY COMMISSION
ATOMIC SAFETY AND LICENSING BOARD
WASHINGTON, D.C. 20545

Honorable Donald M. Fraser
House of Representatives
Congress of the United States
Washington, D. C. 20515

Dear Mr. Fraser:

I have received your letter of April 28, 1971, to Chairman Seaborg regarding Mr. Steve Gadler's request to make a limited appearance before the Atomic Safety and Licensing Board now considering the application of the Consumers Power Company to construct a nuclear power plant (Docket Nos. 50-329 and 50-330). Mr. Arthur Murphy is Chairman of that Board and I am transmitting a copy of your letter to him. Since this is a quasi-judicial matter, I am having your letter, along with a copy of my reply, placed in the Atomic Energy Commission's Public Document Room and am requesting that it be made available to the parties in this proceeding.

Sincerely yours,

A. A. Wells, Chairman
Atomic Safety and Licensing
Board Panel
