In the Matter of
PUGET SOUND POWER & LIGHT
COMPANY, et al.
(Skagit Nuclear Power Project
Units 1 and 2)

Docket Nos. 50-522
50-523

SCHEDULE OF REPORTS
FROM APPLICANTS AND NRC STAFF

1. The Board sets the date of July 31, 1980 as the time on or before which the Applicants and the NRC Staff will submit to the Board their respective reports continuing their responses to paragraph 14.C of the Board's order of March 6, 1980.

2. In keeping with the Applicants' May and June reports, the Board anticipates that the Applicants' July report will indicate whether or not the Applicants intend to amend their application to change the site of the proposed nuclear power plants to the Hanford Reservation, and if so, when the amended application will be available.

3. In the July 31 report by the NRC Staff, the Board requests that the NRC Staff explain the status of its response to the Applicants' comments and requests for clarification dated February 15, 1980.

Done on this 5th day of July 1980 at Washington, D.C.
