Gentlemen:

The enclosed document contains the statement of Bechtel National, Inc., as a limited participant in the matter of the proposed rulemaking on the storage and disposal of nuclear waste. This statement reflects opinions based on our experience as an engineering service company. We have tried to restrict our comments to those matters on which this experience has particular bearing.

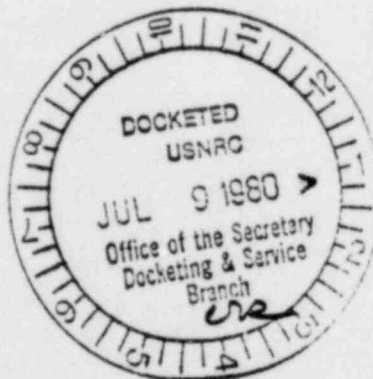

If there are any questions, please do not hesitate to contact us directly.

Sincerely,

A handwritten signature in cursive script that reads "Ashton J. O'Donnell".
