Gentlemen:

This refers to the telephone conversation between you and Mr. D. J. Sreniawski of this office on June 23, 1980 regarding radioactive materials disposed of at the McGean Disposal Dump in Newburgh Heights, Ohio.

With regard to this matter, we understand that you will undertake the following actions:

1. Repair the fence surrounding the McGean Disposal Dump and establish a patrol to assure unauthorized persons do not enter the dump area. The fence shall be repaired by June 25, 1980 and the patrols shall be performed twice per day, once during the daytime hours and once during the evening hours.
2. Perform in conjunction with the Chemetron Corporation an assessment to determine the source of radioactive material disposed of at the dump site. This will be accomplished by July 11, 1980. Further action will depend upon the results of this assessment.

If our understanding of your planned actions, as described above, is not in accordance with the actions being implemented, please contact this office immediately.

Sincerely,

James C. Keppeler
