Gentlemen:

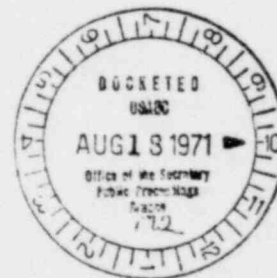

Enclosed herewith are Applicant's answers to emergency power supply questions asked by the Saginaw intervenors and Dr. Goodman. We indicated at the hearing that we would file these responses by August 12. However, Applicant's attorney in Jackson, Michigan was not served with the Saginaw intervenors' direct questions and was unaware that Saginaw intervenors had filed such questions until August 2. We have therefore filed the information as promptly as possible.

Yours very truly,

John K. Restrick
