Dear Mr. Liang:

This is in reference to your license application dated September 18, 1978 for the export of 40,000 pounds of Zircaloy-4 trex tubes to be processed into fuel element cladding for light water moderated nuclear power reactors in Taiwan (XCOM0074).

The NRC has received a letter from the American Institute in Taiwan transmitting a letter dated July 2, 1980 from the Coordination Council for North American Affairs informing us that this order has been cancelled by the Institute of Nuclear Energy Research. Sincerely,
