

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

JUL 09 1980

MEMORANDUM FOR: Roger J. Mattson, Director
Division of Safety Technology

FROM: Warren Minners, Technical Assistant
Division of Safety Technology

SUBJECT: MEETING WITH AIF - EMERGENCY FACILITIES
FUNCTIONAL REQUIREMENT

A meeting was held with the AIF subcommittee on Safety Parameter Integration at Bethesda on June 19, 1980 to discuss their comments on a draft of the Functional Requirements for the Safety Parameter Display, Technical Support Center, Emergency Offsite Facility and Nuclear Data Link. A list of attendees and a summary of the meeting are enclosed.
