Dear Mr. Scarano:

Re: North Rolling Pin In-Situ Solution Mining Test Site, N.R.C. Source
Materials License No. SUA'199, Docket No. 40-8200

In accordance with The Cleveland-Cliffs Iron Company's (Cliffs') plan to perform final restoration and reclamation of the North Rolling Pin Site, this letter is to confirm my telephone conversation with Mr. Gregory Eadie of your staff earlier today and notify you at least one week in advance of the planned date of Phase I water sampling at the North Rolling Pin Site. Cliffs is planning to conduct Phase I sampling on July 21, 1980.

If you have any questions, please contact me personally at your earliest convenience.

Sincerely,

THE CLEVELAND-CLIFFS IRON COMPANY
