Re: Application No. XSNM01605

Dear Ms. Wright:

As per our telephone conversation, I am enclosing two copies of our telex to the Soviet Union referring to their request for U308 Standards. One copy of the telex is for forwarding to the State Department and the other copy is for your records. Further communications or developments pertaining to this application will be forwarded to you.

I assume there is nothing further to be done at this time until the IAEA clearance is received. However, please notify us if any additional information is needed.

Thank you for your assistance and cooperation.

Sincerely,

Linda Lee Muller

LLM

RE: YR ORDER 605

DUE TO ABSENCE OF AN AGREEMENT FOR COOPERATION BETWEEN US AND
USSR, ARRANGEMENTS FOR TRANSFER OF THIS MATERIAL MUST BE MADE
UNDER AUSPICES OF THE INTERNATIONAL ATOMIC ENERGY AGENCY IN
VIENNA.

IN ORDER FOR US TO CONTINUE WITH EXPORT APPLICATION, YOU MUST
NEGOTIATE PROJECT AND SUPPLY AGREEMENTS WITH THE IAEA. PLS
ADVISE US AS SOON AS THIS IS COMPLETED AND CLEARED THRU IAEA
SO WE MAY PROCEED HERE.
