Dear Senator Carter.

It was thoughtful of you to write expressing appreciation for our assistance in your hearings last fall. I look forward to receiving a copy of the final report as I am sure the conclusions will be useful to us all.

I had hoped to see you at the SSEB meeting this year, but, unfortunately, I will be away and unable to attend. Please give my very best regards to all of our associates in the SSEB whose warm response and help has always been appreciated at the NRC and by me personally.

Thank you again and we are pleased that we could be of help. Please do not hesitate to call on us at any time. With warm regards,

Sincerely,

Richard T. Kennedy
Commissioner
