UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

July 24, 1980

Mr. Joe Farnan
Attorney at Law
Post Office Box 770
Purcell, OK 73080

IN RESPONSE REFER
TO FOIA-80-355

Dear Mr. Farnan:

This is in response to your letter of July 7, 1980, in which you requested, pursuant to the Freedom of Information Act, information regarding the industrial use of radioactive Magnesium-Thorium alloy and any work-related problems associated with its-use.

Our search indicates that we have no records relating specifically to your request. However, we are enclosing documents, as listed on Appendix A, which may be of help in supplying you with a bibliography from which you can chose publications that may have a direct bearing on your case.

This completes NRC action on your request.

Sincerely,

Frank W. Karas
for J. M. Felton, Director
Division of Rules and Records
Office of Administration

Enclosure: As stated

8007310276

APPENDIX A
