Subject: Virgil C. Summer Nuclear Station  
Special Nuclear Material License  
Renewal Application  
Docket No. 50-395

Dear Mr. Page:

In accordance with 10CFR 70.33(B), South Carolina Electric and Gas Company, acting for itself and as agent for the South Carolina Public Service Authority, herewith files six (6) copies of our request for renewal of Special Nuclear Material License number SNM-1834. This license is presently due to expire on 31 August 1980. A license renewal is needed due to the longer than anticipated time required for receipt of our Operating License.

Please reference our original application for the information required pursuant to the pertinent sections of 10CFR70 and Regulatory Guide 3.15. If further information should be required, please advise.

Yours very truly,

T. C. Nichols, Jr.  
Vice President and  
Group Executive -  
Nuclear Operations
