RE: NRC License #37-00030-07

Dear Sirs:

We are enclosing a list of all transfers made under the
above license for the period July 1, 1979
to June 30, 1980.

This information is being provided on a confidential basis
under cover of the application and affidavit submitted to
the U.S. Nuclear Regulatory Commission on January 31, 1980
and is to be considered exempt from public disclosure under
Section 9.5, subparagraph (a)(4) of Part 9 of Title 10,
Code of Federal Regulations.

Very truly yours,
UNITED STATES RADIUM CORPORATION

Mari Tsutsumi
