Director of Operating Reactors  
Directorate of Licensing  
Nuclear Regulatory Commission  
Washington, DC 20555

Concerning: Reactor License R-112

Dear Sirs:

This is to let you know that effective on or about September 1 I will be leaving Reed College and will thus relinquish my roll as director of the Reed College reactor facility. Dr. Michael Kay, currently at Rockwell Hanford, has recently accepted an offer from the College to be its new director of the reactor facility. Any correspondence that you may have concerning the reactor facility after September 1 should be directed to him at the above address.

Sincerely yours,

L. B. Church, Director
