Rancho Seco
IE Inspection Report 80-15

Dear Mr. Crews:

We have received your document dated July 16, 1980, NRC Management Inspection of Rancho Seco, and find no information within this document that we consider to be proprietary.

We do find that due to the complexity of the information within the document that it would be impossible to provide meaningful corrective action that has received the District's management review within the twenty (20) days allotted. At this time we request that the response to this document be extended to sixty (60) days from the receipt date of the notice.

Should you have any questions regarding this request for time extension, please call.

Sincerely yours,

J. J. Mattimoe
Assistant General Manager
and Chief Engineer
