Docket Nos. STN 50-516
STN 50-517

Dear Mr. Denton:

This letter is in response to Mr. Darrell Eisenhut's letter of July 2, 1980 regarding estimates of evacuation time for the Jamesport site. The information as requested has not been developed. We are currently awaiting receipt of a certification from the New York State Board on Electric Generation Siting and the Environment, which has jurisdiction over Jamesport, before proceeding with further detailed engineering.

Very truly yours,

R. E. Plaskon
Assistant Project Manager
Jamesport Nuclear Power Station
