DOCKET NUMBER
PROPOSED RULE PR-Misc Notice
Reg Guide

Secretary of the Commission
U S Nuclear Regulatory Commission
Washington, DC 20555

Attention Docketing and Service Branch

Consumers Power Company has reviewed the May, 1980, version of the Draft Regulatory Guide and Value/Impact Statement entitled, "Instruction Concerning Risk from Occupational Radiation Exposure". Personnel engaged in the health physics activities at our operating plants believe that this document is very helpful and plan to incorporate it into employee training programs.

David P Hoffman
Nuclear Licensing Administrator
