Re: Exhibits Not Provided with Transcript in the Matter of
Pacific Gas & Electric Company (Stanislaus),
Depositions, P-564A, June 3 & 4, 1980, San Francisco

Dear Mr. Goldberg:

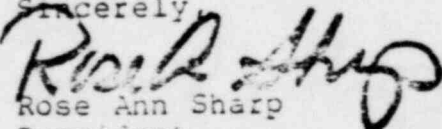

We sincerely apologize for the delay in getting the remaining exhibits in the above entitled matter to you. These exhibits should have been included with the transcript and were left out through an error on our part. The transcriber had mistakenly wrapped the exhibits with the notes and they had been filed away. Unfortunately it took us some time to retrieve them. We know that this has been a severe inconvenience to you and the other parties and have taken internal steps to see that it never happens again.

The enclosed exhibits are:

Perry Exhibits Nos. 1 and 2, dated June 3, 1980
Hall Exhibits Nos. 1 and 2, dated June 3, 1980
Allured Exhibits Nos. 1, 2, 3, and 4, dated June 3, 1980 and
Badet Exhibits Nos. 1, 2, and 3, dated June 3, 1980.

Thank you for your patience and understanding. If there is any way in which we may be of further help to you in this matter, please let me know.

Sincerely,

Rose Ann Sharp
President
