MEMORANDUM FOR: James R. Shea, Director  
Office of International Programs

FROM: Robert F. Burnett, Director  
Division of Safeguards  
Office of Nuclear Material Safety and Safeguards

SUBJECT: PROPOSED EXPORT THAT NO LONGER REQUIRES COMMISSIONER  
REVIEW (XUO-8503)

The Office of Nuclear Material Safety and Safeguards has reviewed the subject license application for export of depleted uranium to Canada. We note that this export is for a non-nuclear end use and probably will be exempt from IAEA safeguards. Accordingly, we have no IAEA safeguards concerns.

The physical security criteria of 10 CFR 110.42 and 110.43 are not applicable to this export.
