Dear Sir,

In response to your letter of 11 JUN 80, regarding noncompliance with NRC regulations, the following corrective actions have been accomplished.

Item 1. Violation of 10 CFR 34.29(b) - audible signal has been installed.

Item 2. Violation of 10 CFR 20.401(b) - radiation surveys of packages containing licensed materials are now being conducted on contact and at three feet. Records are being maintained.

Sincerely,

A handwritten signature in dark ink, appearing to be "W. N. Johnson", written over a horizontal line.
