Subject: recent amendment needs correction

Discussion: 1) The listing of the unsealed materials changed to H, I, L and W but Items 10 and 12.A. still refer to them as H, I, L, and K; and 2) the training for use of unsealed materials was amended in the response to the RAI, and 12.A. should be eliminated and 12.B. should change to "all material" rather than "all other material".

Action Required: do Corrected Copy
