Re: Consumers Power Company - Midland Plant
Units 1 and 2 - Docket Nos. 50-329 and
50-330 - Accusation of Contempt

Dear Chairman Murphy:

I enclose an affidavit and argument in connection with why it should not be held in contempt. If the Board agrees with my affidavit, I respectfully request an appropriate order cleansing the record. I am willing to supply whatever other information the Board wishes, either in writing or in person, in the event you deem it necessary.

In my view of the facts, the Board's order to show cause was prompted by Mr. Wessel's narrow and impermissible view of the record; and, as stated in my affidavit, I believe Mr. Like and I are due apologies from Mr. Wessel.

Respectfully yours,

Myron M. Cherry
