On November 7, 2019, the U.S. Nuclear Regulatory Commission (NRC) staff held a public meeting with representatives of the Nuclear Energy Institute (NEI), the public, and other stakeholders to discuss NEI's White Paper titled, "Changes to NEI 10-04 and NEI 13-10 Guidance for Identifying and Protecting Digital Assets Associated with Emergency Preparedness Functions," dated October 2019 (Agencywide Documents Access and Management System (ADAMS) Accession No. ML19295D806).
